**£269**

The Chelsea Flower Show is a must-see for any nature lover, with its stunning displays and a wide range of talks and demonstrations. During your trip, you'll have the chance to shop for plants and gardening supplies at the

various vendors at the Chelsea Flower Show. Whether you're an experienced gardener or simply looking to add some greenery to your home, you'll find something to suit your needs.

On day one, you'll visit the beautiful town of Windsor, home to Windsor Castle, formerly the official residence of the late Queen Elizabeth II. Wander through the charming streets of Windsor and browse the local shops. In the evening perhaps enjoy a meal and a few drinks locally or, should you choose, take advantage of the transport links and spend some free time exploring London independently.

On day two, you'll visit the Chelsea Flower Show. Held in the grounds of the Royal Hospital Chelsea in London, the show brings together the best in horticultural design and innovation. The show is divided into different sections, each showcasing a variety of gardens and floral displays. From traditional English gardens to more modern and minimalist designs, there is something for everyone.
