Come with us during Disney's Enchanted Christmas season as we join Santa, Mickey and friends for what promises to be this year's jolliest musical extravaganza! From mid November through to early January each year Disneyland® Paris lights up to create the most-magical Christmas experience for all its guests. It is one of the most popular seasonal events of the year at Disneyland® Paris.

Disney's Christmas Parade is an unforgettable experience for the whole family to enjoy, featuring all your favourite Disney Characters dressed in their festive best, making their way down the streets of Disneyland® Park on Christmas-themed floats. Head down to Town Square for a merry sing-along with Mickey, Minnie and friends, as they light up the giant Christmas Tree in a special Lighting Ceremony, further adding to the magical atmosphere.
